WEST TAKES LION'S SHARE

VISITING HORSEMEN FURNISHED FOUR OF YESTERDAY'S WINNERS AT YONKERS.

Criticism Called Forth by Improvement Shown in Some Instances—The Fad Returns to Winning Form—Announcement on Saratoga Stakes.

New York, July 19.—Western horses won four of the six races at Yonkers today. They were Halket, Campeon, Gliding Belle and The Fad. The remaining victors were Evening Song and Bonnie Kelso, two consistent racers from the metropolitan racing establishments of Harry Payne Whitney and George M. Odom. With the exception of George J. Long, the visiting horsemen were generally criticised for the sudden improvement displayed by their horses. Conspicuous among these was The Fad, whose amazing speed today was in glaring contrast to his previous effort, in which, notwithstanding that it was preceded by a private trial at five furlongs, said to have been done in the sensational time of one minute, the Van Meter gelding was unable to raise a respectable gallop.

The handicap for two-year-olds furnished the most interesting race of the day, a quintette of good ones that included The Fad, Fauntleroy, Donau, Louise S. and Firebox participating. The eventual winner speedily proceeded to run away from his opposition. The pace was so fast that Donau, the flying leader's most persistent pursuer, tired badly at the end. This permitted the rating and staying Fauntleroy to beat him decisively for the place. Fauntleroy nearly overhauled The Fad as well. Louise S., starting for the first time in the name and colors of James E. Gaffney, finished with a belated rush and this good filly's race should not be taken seriously. The same thing applies with equal force to Dr. Barkley, which finished unplaced in the mile handicap to Gliding Belle, Casque and Prince Ahmed. The Schulte filly enjoyed a big pull in the weights and was probably better served by the track conditions than any of her adversaries.

Halket, with Dugan up and an outside position, also enjoyed a monopoly of racing luck, riding talent and favorable footing. One of the principal stewards of the jockey club, however, seemed to view what he considered the in-and-out running of the western trainers and horses with disfavor. He was overheard to express himself to the effect that some of these men imperiled the sport wherever they raced. There is a growing opinion that the jockey club handicapper seems at a loss to properly classify the western horses.

The program, though lacking in special features, developed extra good sport. Favorites held their own, with three races to their credit. Page was highly praised for his skillful and persistent handling of Campeon, which seemed a beaten horse a furlong from the wire in the second race.

Thomas Hitchcock's good steeplechaser, California King, has been shipped to France to try for cross-country honors there.

A. Henry Higginson of Boston, a prominent member of the hunt clubs of the east, has acquired the good steeplechaser Sir Wooster.

John E. Madden made an extensive shipment of racers to Saratoga today.

The Saratoga Association has announced the added money to four of their big fixtures. The Grand Union and United States, for two-year-olds, will each have $6,000 added, while the Spinaway and Travers will get $5 000 apiece. Entries for yearlings will close on the usual date.

It is said that McCahey rode Krikina, the hot tip in the second race, with his feet out of the stirrups. This greatly enhanced the value of the filly's race. She is a grand looker and may be a coming good one.

Woodford Clay has shipped his good filly, Ocean Bound, to Saratoga, where she will be fitted for her stake engagements.

It was a trifle cloudy today, but this circumstance did not materially affect the attendance, which was about five thousand. The rain of yesterday had soaked the track, but it was harrowed into fairly good shape on the outside, while the inside remained heavy in spots.

HILDRETH SHIPS CRACKS TO SARATOGA.

New York, July 19.—Fayette, his latest acquisition, was one of a consignment of horses that S. C. Hildreth shipped to Saratoga Saturday. He went to the Springs with Fitz Herbert, Joe Madden, Restigouche, Dalmatian and King James, of the Hildreth stable, and a bunch belonging to the Chelsea Stable. Lothario, The Wrestler, Isendune, Aster d'Or and Scarpia were in the Chelsea lot. Preston Burch, trainer of the Chelsea Stable, had charge of the Hildreth-Chelsea train, which consisted of four cars.

Hildreth may race a few horses at Yonkers, but he expects to spend the better part of the next two weeks at Saratoga preparing King James for the Saratoga Handicap and Fayette for the $7,500 Travers Stakes. The Travers is Fayette's best engagement at the Springs and Hildreth has an idea that he can get Fayette in such condition by the day of its running that he will beat his hitherto successful rival, Hilarious. Hilarious will bear the silks of James R. Keene in the Travers. He is already at Saratoga and James Rowe is at work on him.

It is thought likely that Hildreth may buy a couple of two-year-olds from Madden during the Saratoga meeting.

JAMES GAFFNEY BUYS LOUISE S.

New York, July 19.—James Gaffney has purchased the two-year-old chestnut filly, Louise S., by The Commoner—Mary Agnes, from Walter Grater and the latter will at once return west to take up his yearlings in Kentucky. He has a goodly number of young horses and he expects to ship the best of them east next season if they show anything at Churchill Downs in the spring.

Louise S. was bred by Walter O. Parmer at the Edenwold Stud in Tennessee and, like most of the sons and daughters of The Commoner, she is a well-built miss of rugged conformation. The winning of the Clipsetta Stakes at Latonia is her most important achievement to date.

THIRTY LEADING MONEY-WINNING OWNERS

The Lawrence Realization and a few other races of good value have enabled S. C. Hildreth to move so far in advance of his nearest competitor that it seems almost sure that he is destined to succeed James R. Keene in his accustomed proud position of leader of American owners in stable earnings. Mr. Keene is still second, but so far behind that it will be difficult for him to overtake Hildreth. Barney Schreiber has improved his position and is now third but, so far as the two leaders are concerned, a distant third. The thirty leaders and their stable records are now as follows:

FALL PROGRAM AT BLUE BONNETS.

Montreal Jockey Club Announces Stakes for Autumn Meeting to Begin Sept. 4.

The Montreal Jockey Club announces an attractive program of stake events for its autumn meeting, which will be held this year in September, opening on Saturday, the 4th, and concluding on Saturday, the 18th, embracing thirteen racing days in all. The entries for the stakes will close with the secretary, 11 St. Sacramento street, Montreal, at midnight Thursday, August 15, and those who desire blanks may obtain them from him.

The spring meeting at Montreal was the most successful ever held by the Montreal Jockey Club, in spite of the scourge of influenza which incapacitated so many horses and which was particularly severe on the thoroughbreds quartered at Toronto. There is every reason to believe that the autumn session will show an improvement so far as class horses are concerned over that of June, as most of the horses that were sick are once more in training, to say nothing of several hundred head that have since come into Canada from Kentucky and the west. Last spring distemper fell with especial severity upon the stable of Joseph E. Seagram, M. P., president of the Canadian Racing Associations, who has had but two horses in training out of his twenty-four. The many friends of this good sportsman hope that he will have a full measure of success in the autumn, when Bouquet and other fleet racers owned by him probably will be thoroughbreds again.

The best event on the program for Blue Bonnets next fall is the Earl Grey Cup, for three-year-olds and upward, at one mile and a quarter, which has an added value of $1,500, but the Laurier Handicap, for three-year-olds, at one mile and an eighth, which has $1,200 added by the club, will also attract a strong field and should furnish an equally good contest. The St. Denis and Champlain are selling events at six furlongs and one mile respectively, and each will have $1,000 added by the Montreal Jockey Club. The open two-year-old events are the Hochelaga, a handicap at seven furlongs, and the Huron, a selling race at six furloags. The former should furnish a cracking good contest, as it is far enough to test the stamina as well as the speed of those that go to the post. The other two-year-old event is the Provincial Nursery, for youngsters owned, foaled and raised in the Province of Quebec. This is the first running of a stake which the Montreal Jockey Club hopes and believes is destined to do a world of good for the advancement of the horse breeding industry in the province. There probably will be not more than four or five contestants this year, but in 1910 there will be more and, under governmental aid, the time is not far distant when a dozen or more contestants will go to the post. For this race the coming fall the Montreal Jockey Club will add $500 and the provincial government will contribute a like amount, which will be divided among the breeders of the first four horses in the following ratio: $225 to the breeder of the winner, $125 to the breeder of the second, $75 to the breeder of the third, and $50 to the breeder of the fourth. Thoroughbred mares are being bought by Canadian gentlemen whose interest has been aroused and these are being mated with stallions that have been brought from England and the United States with the blood of champions in their veins.

The steeplechase stake is the Strathcona, over the two and a half mile course, which has an added value of $1,000. The fact that but one stake is provided for 'chasers does not mean that Montreal will not hang up as much money as usual for cross-country races. On the contrary, some of the overnight races through the field will have $600 or $700 added, and if there are sufficient horses on the grounds to warrant it there will be a race through the field every day.

The stake program for the meeting will be reinforced by several races with $600 and $700 added. The list of stakes follows:

Provincial Nursery, for two-year-olds, $500 added; 5-8 mile.
Hochelaga Handicap, for two-year-olds, $1,000 added; 7-8 mile.
Huron Selling Stakes, for two-year-olds, $1,000 added; 3-4 mile.
Laurier Handicap, for three-year-olds, $1,200 added; 1 1-8 miles.
Earl Grey Cup, for three-year-olds and upward, $1,500 added; 1 1-4 miles.
Champlain Selling Stakes, for three-year-olds and upward, $1,000 added; 1 mile.
St. Denis Selling Stakes, for three-year-olds and upward, $1,000 added; 3-4 mile.
Strathcona Steeplechase Handicap, for four-year-olds and upward, $1,000 added; about 2 1-2 miles.

SQUABBLE OVER MONTANA LAW.

Butte, Mont., July 19.—Attorney-General Galen has decided that any attempt to hold another race meeting of thirty days' duration at Butte, following that of the Butte Jockey Club, would be an evasion of the spirit and intent of the Montana law, even though a new enclosure should be constructed, and the law thereby technically evaded. He has advised the commissioners of Silver Bow County, in which Butte is located, that they should do their utmost to prevent betting covering a more extended period than the thirty days that the present Butte meeting is scheduled to run. In a spirit of retaliation Abe Cohen and William Meyer, who expected to promote the second meeting, have intimated that they will make an effort to have the coursing races and the Sunday Jockey Club races that are occasionally run in Butte included in the schedule of the thirty days of racing legalized by the statute passed at the last session of the legislature.

CALIFORNIA TEST CASE ADVANCED.

Attorney for Racing Interests Makes Public Grounds on Which He Is Confident of Upsetting Law.

San Francisco, Cal., July 19.—That a "double penalty" has been provided in the Walker-Otis anti-betting law passed by the last session of the legislature, in that the act reads that the punishment for a violation of the law may be either one year's imprisonment in the state prison or one year in the county jail, will be the contention of attorney Carroll Cook, representing Frank O'Shea, when O'Shea's case is heard by the Appellate Court for the first district of California on a petition for a writ of habeas corpus just filed. O'Shea was arrested at the Ingleside Coursing Park July 7 for violating section 337A of the penal code. Cook, his attorney, applied to the Superior Court for a writ of habeas corpus, but Judge Van Nostrand has refused to consider the petition on the ground previously taken by Presiding Judge Cabaniss, that as the question at issue may arise in any county of the state, it is best to test the law before an Appellate Court.

Cook immediately applied to Judge Kerrigan of the Appellate Court for a writ and one was issued, returnable Monday, July 26. When O'Shea's case was pending in the Superior Court his bail was but $25, and in his petition he asked that that nominal figure be maintained, but Judge Kerrigan raised the security to $100.

O'Shea's petition alleged that he was arrested without warrant or complaint and that the complaint subsequently filed against him by policeman James McEntee does not allege any facts to constitute a public offense under the laws of the state. Section 337A of the penal code, under which O'Shea is held, is alleged to be "absolutely void and of no effect and in direct conflict with the constitution of the state of California."

When the O'Shea case came up before Judge Van Nostrand, Assistant District Attorney Harrison asked leave to argue the sufficiency of the complaint against O'Shea before the application was referred to the Appellate Court.

"We suggest," said Cook, addressing the court, "that as the matter involves the validity of the section of the code under which the arrest was made, it ought to be decided by the Appellate Court, so that the decision will apply throughout the state." Cook also cited the case of one Adams, which Judge Cabaniss passed up to the Court of Appeals, although it never went to trial before the latter body, because of the insufficiency of the indictment.

Harrison wanted to argue the sufficiency of the present case against O'Shea, but Cook claimed the sufficiency was not in question. Judge Van Nostrand then granted the motion that it go to the Appellate Court.

While leaving the Superior Court, Carroll Cook said:

"I am so sure that the law will be declared unconstitutional that I don't mind revealing my hand. Of course, if the penalty is void the statute itself is void. Our claim is that the penalty provided in this law is absolutely void. The legislature has no power to fix any such penalty as is fixed. Therefore the allegation of crime under the section must fall."

Assistant District Attorney Harrison maintains that there are Supreme Court decisions stating that statutes providing for imprisonment in either the state prison or the county jail are constitutional. In hundreds of sections the legislature has provided for such alternative forms of punishment, Harrison claims.

JACKSONVILLE MEETING TO RUN 120 DAYS.

Buffalo, N. Y., July 19.—H. D. Brown, manager of the Florida State Fair and Racing Association, was a visitor at Fort Erie Saturday. Mr. Brown had just arrived from the south. He brought glowing accounts of the improvements made at Moncrief Park since the close of the meeting there last spring. He said:

"We contemplate giving a high-class meeting next winter—one that will rank with any in the country. Moncrief Park is being beautified and laid out on the plan of the Sheepshead Bay course. We are increasing the capacity of the grandstand, and it will be twice the size that it was last winter, which means that it will measure over 300 feet in length. We are adding 600 stalls to the 500 that were built last spring, which will enable us to provide accommodations for over 1,000 horses. The new stables are being built on the plan of those at Los Angeles. Each stable will be separated by an avenue over ninety feet wide. There will be fine roads between each stable. The lawns have all been leveled and sown in grass and palms, and shrubs have been set out about the grounds. A top dressing of loam has been placed on the track and a good horse should run a mile over it in better than 1:40 now.

"We have decided to begin our racing on Thanksgiving Day and run for 120 days. We will be liberal in our offerings of stakes and purses, and I'm sure that the horsemen will be satisfied with them. A list of the stakes will be announced later on."

Mr. Brown left for Jacksonville last night, but will return north during the Saratoga meeting.

ALFRED NOBLE DESTINED FOR SPRINTS.

New York, July 19.—Former Alderman James E. Gaffney, says that he believes Alfred Noble is not cut out for long-distance races, but will develop into a sprinter of the Roseben type. As soon as Alfred Noble has filled his stake engagements at Yonkers and Saratoga, Mr. Gaffney thinks he will have Frank Weir prepare the horse for short-distance events, in which the big racer will doubtless appear at the Sheepshead Bay fall meeting.

TWO MISHAPS AT FORT ERIE

ACCIDENTS END CAREERS OF RACERS BEAU NASH AND GALT.

T. M. Green Reduces Track Record for Five and One-Half Furlongs—Steeplechase Jockeys Under the Ban—William Walker Buys Apache.

Buffalo, N. Y., July 19.—Today's racing at Fort Erie was marred by spills which attended the running of the first two races and were responsible for the death of a pair of racers. In the opener, Beau Nash, the favorite, went down as a result of crowding at the half mile post and his destruction followed on account of the colt having sustained a fractured leg. The second race was a steeplechase and was replete with mishaps to all the starters except Bergoo, the winner. Galt was killed instantly when he fell at the eleventh jump and landed on his neck. Jockey Reid, who had the mount on Beau Nash, was the only rider to sustain injuries and they were of a trifling nature.

The good card again served to attract a large attendance to the course, and, as most of the winners were well supported, the sport was profitable as well as enjoyable to the many. The steeplechase was intended as the feature, but it was a farcial contest, in consequence of the mishaps that befell all but the winner. During the early running Bannell was the leader, but a swerve at the eighth hedge enabled Bergoo to go to the front and he was not thereafter headed. Bannell held the others safe until approaching the final jump, where he unseated his rider and allowed Caloorahatchee to take second money. Huddy, which had been carried out when Reginald bolted at the first jump, was remounted and finished in time to get third place.

The purse race at a mile resulted in an easy victory for the much-improved Apache, which led from start to finish and won cantering in the fast time of 1:39. The Minks made a sensational stretch run and came from last place to wear down Gretna Green for second money.

The sprint handicap was taken by Little Osage in easy style. He was favorite and led from barrier rise. Lady Esther was the nearest contender throughout.

In the opening race Brevite came with a rush at the end and managed to wear down Royal Report. Stolypin, which had graduated from the maiden ranks in his previous essay, made good in the sixth race, in which he beat Dispute and Woolwinder.

The judges have been quietly at work for several days looking into the running of several steeplechases, and, as a result of their investigation, promulgated a ruling this afternoon warning from the course jockeys Archibald and Beamish. This practically amounts to a ruling off, as the Canadian Racing Associations probably will supplement this ruling by revoking their licenses. Jockey Stone was also involved to some extent, but his case is still pending, and until its final disposition he will not be permitted to accept mounts. Archibald is said to have been guilty of fraudulent practices in that he attempted to fix races. According to report Dr. Koch was the supposed nominee when Esterjoy won. Dr. Koch on that occasion met with a mishap and failed to finish. John Dillon is said to have been the one selected on Friday last, but Bergoo upset the plans. Beamish is alleged to have aided Archibald.

T. M. Green, in winning the third race, reduced the track record for five and one-half furlongs from 1:06⅘ to 1:06⅗.

The judges today went further into the complaint of jockey Haynes, rider of Reidmoore on Saturday, and announced that jockey Musgrave, who rode Giles, had been suspended and fined $50 as a result of his tactics.

Jockey McKinney was fined $50 by the starter for disobedience at the post in the steeplechase race.

James McLaughlin, Jr., has acquired the contract on Guy Burns' services for the remainder of the Canadian season and will make his future engagements. McLaughlin purchased today the filly, Daisy Garth, from William Garth.

William Walker purchased Apache after his victory this afternoon for a reported price of $1,500, about half of what shrewd horsemen consider him worth. P. T. Chinn is said to have been willing to pay $3,000 for him. Apache will be shipped, together with Marse Abe, to Empire City tomorrow.

Jockey Nicol was a visitor this afternoon. He is en route to Saratoga, where he will ride for the Chelsea Stable.

IMPROVEMENTS AT WINDSOR TRACK.

Buffalo, N. Y., July 19.—With the Fort Erie meeting more than half over, it becomes evident that this Canadian track will return a handsome profit to its stockholders this season. The racing has been good and the patronage in keeping. There are many good horses here that have not as yet started. They are being rested up by their owners for the fall campaigns. Several stables have elected to ship from here to Saratoga, among them P. T. Chinn and John Dyment. A majority of the horsemen will go from here to Windsor, however.

The Highland Park Jockey Club, which now controls Windsor, has made great improvements in that Canadian course. Several new stables have been erected to take the place of those that were burned last fall. They have been erected on the property that the club acquired from Joseph James. A new paddock has also been built. It is on the order of the one at Saratoga, being located in a grove of trees. The improvements also include a clubhouse, which is located below the grandstand. The steeplechase course, which is one of the best in Canada, has been given a lot of attention by the track superintendent and is in splendid shape. Messrs. Parmer and Hendrie, who were here for a few days last week, report that they have received applications from some of the best stables in the wast for accommodations at Windsor and that the meeting promises to be the best ever held at that point.

ROME RESPESS' SARATOGA NOMINATIONS.

Cincinnati, O., July 19.—Rome Respess has made many nominations to the stakes at Saratoga which closed this year. He has his Dick Welles—Barbara M. colt and another by the same sire out of Helen's Pet in the Saratoga Special. Wintergreen, Turley and Rockcastle are in other events, while Miss Alert is in a race for horses that have not won $1,000 this year. Marathon has also been entered. The fact that Respess shipped to Saratoga makes it appear as if he believes he has some good horses in his barn, otherwise the string would have gone to Fort Erie.

DEATH OF FORMER GREAT RACE HORSE.

Judge Morrow, bay horse, foaled 1887, by Vagabond, out of Moonlight, by Joe Johnson, recently died at P. S. Hunter's Otterburn Farm, near Loretto, Va. Judge Morrow won, among other races, the Brooklyn Handicap of 1892, and earned for his various owners $77,213. His record was 39 firsts, 27 seconds and 31 thirds out of 141 starts.

P. T. CHINN GETS ETHELBERT YEARLING.

Lexington, Ky., July 19.—There is quite a demand for Ethelbert yearlings, and if there were some to be offered they would very likely bring good prices. The fact is there were only four foals of 1908 by Ethelbert registered with the Jockey Club—two colts and two fillies. One of these colts was purchased last week by Phil T. Chinn from Dr. J. D. Neet of Versailles, Ky. His dam is Dancing Wave, by Top Gallant—Tarantella. Mr. Chinn also purchased the following yearlings from Dr. Neet:

Bay colt, by Peep o'Day—Glass Slipper (sister to Hastings).
Bay colt, by Peep o'Day—Doreen, by Uncas.
Chestnut colt, by Handsome—St. Pauline (granddam of Priscillian).
Mr. Chinn leased the running qualities of the bay filly by Stalwart—East India, by Hindoo.

BILLY OLIVER TRAINING IN ENGLAND.

New York, July 19.—W. L. Oliver, for many years one of the familiar figures of the American turf, has established himself in England at Heathcote House, at Epsom, and is training a string of horses. Of recent years Oliver was best known as the owner of Lord Badge, All Gold, Hoot Mon, a name he was frequently called himself, and some other useful platers. Sporting Life has this to say of Oliver:

"W. L. Oliver is getting a string of horses at Heathcote House, Holt's place, at Epsom. Oliver, who is well known in this country, is a native of Scotland and has trained and owned horses in America for upward of twenty years. J. R. Keene gave Oliver a personal letter of introduction to the stewards of the Jockey Club, who granted him a license to train within forty-eight hours."

ANTI-BETTING MOVE IN BELGIUM.

London, Eng., July 19.—In Belgium, famous for its Ostend racing, a bill is to be introduced in the Belgian Chamber to abolish the bookmakers. Belgium was once called the "cagnotte of Europe," and every little town then had its "kursaal" and gambling club where roulette and baccarat were played. But now these have all been wiped out and the drive is against racing by the same element in the community. When M. Marquet withdrew his subsidy to the races at Ostend, the only way the local committee could make up the deficiency was to put up bookmakers' stands on the course at auction. How racing will get along in Belgium, in case the Chamber passes the measure, remains to be seen.

EASTERN SITUATION ENCOURAGING.

Saturday's Paid Attendance at Empire City Was Greatest in the History of That Track.

New York, July 19.—The mid-season of the eastern turf has been reached and officers of the Jockey Club are well satisfied with the results so far attained. The turf is making steady progress towards its old-time popularity.

It is said that the associations have made money on the daily attendance at the races, their only losses being on the large stake events which were a heritage of the old regime. Announcement is expected shortly that races will be held daily at all the tracks the coming fall.

Early in the season the track authorities directed that the anti-betting law, which prohibits any but oral wagers, must be lived up to, and there have been no infractions of the statute. The police, therefore, with few exceptions, have been withdrawn form the courses.

Schuyler L. Parsons, president of the Coney Island Jockey Club, announces that the recent meeting at Sheepshead Bay was run without financial loss. "We did not make a dollar," said President Parsons, "but we didn't lose anything, which was particularly gratifying. We ran off several rich stakes, including the Realization and the Tidal, and were agreeably surprised that they did not entail a deficit. The public's patronage exceeded our expectations and was excellent proof that racing is in a healthy condition."

Saturday's paid attendance at Empire City is said to have been the largest since James Butler obtained his license from the New York State Racing Commission.

MR. VANDERBILT LEADS FRENCH OWNERS.

Statistics have been published of French flat racing to the end of June, showing that, notwithstanding the loss of the Grand Prix of Paris, Mr. W. K. Vanderbilt still stands first on the list of winning owners with something over $160,000 to his credit, preceding Baron Maurice de Rothschild with $40,000 less, while M. Edmond Blanc has only won $75,000, a trifle more than M. E. Veil-Picard, with $62,500. Next in order come M. J. Lieux, M. de Bremond, Prince Murat, M. Arthur Veil-Picard, Mr. James Hennessey, M. A. Aumont, Count Le Marois, and Madame Cheremeteff, who close the list as far as the winners of over $20,000 are concerned.

AMERICAN HORSES RUN DEAD HEAT.

London, Eng., July 19.—The Wigston Maiden Two-Year-Old Plate of 103 sovereigns, distance five furlongs, at Leicester today, was won by Phantasm. James R. Keene's Coronal and August Belmont's Fond Memories ran a dead heat for second place. Ten horses started.

Jennie Wells ran forwardly and persistently throughout. Fireball, away poorly, moved into quick prominence, but tired badly in the stretch. Tom McGrath closed a big gap from a poor start. Ida D. was never dangerous and seemed unable to raise a respectable gallop. Fleming was going like a shot at the end and had scant chance at the start. The winner was entered for $700; no bid.

Bryce, outpaced early, finished well. Bandello ran well up throughout. Danger, nearly left, closed a gap under an inadequate ride. Mobility outbroke and threatened to spreadeagle the others for the first half, then quit badly. The winner was entered for $500; no bid.

Prince Ahmed, from a slow inside start, was frequently shut off and pocketed and was also in the deep inside going and could never get up. ANTI-BETTING LAW RIDICULED.

Johannesburg, South Africa, July 19.—There is great agitation against the new anti-betting bill, which prohibits all betting except on race courses on race days.

The measure is generally condemned as ludicrous. It is pointed out that under its provisions a man is liable to a fine of $375, or to six months' imprisonment, for betting one shilling on an England versus Australian cricket match, whereas he could wager ... on the rise or fall of shares with impunity.

A woman playing tennis or golf and indulging in a friendly bet of a cup of tea on the result will be liable to the same penalties, while for settling the bet a further fine or term of imprisonment could be imposed.

The Rand Daily Mail says that "it would be much simpler if the government wrapped every individual man, woman and child in the country in cotton wool and placed them in glass cases right away."

NO MORE FREE FIELD AT YONKERS.

New York, July 19.—Matt Winn, manager of the Empire City track, says that the field enclosure has been permanently abolished at the Yonkers race course. Winn has had plans drawn for an extension of the grandstand roof about 200 feet south, underneath which there will be an open "paddock" where the oral speculators can transact business. The seating capacity of the present stand, which will hold about 7,000 persons, is believed to be sufficient, as the broad lawns can accommodate as many more. Winn says that the "field" is out of date, as far as Yonkers is concerned, and that racing can live well enough without it. While no definite policy has been mapped out by the other Jockey Club tracks, it is said that all of them will keep the cheap enclosures barred to the public for some time to come, if not permanently.

ABSENCE OF PLUNGING IN THE EAST.

High Rollers of Other Days Have Disappeared—$25,000 Fountainblue Sold for $1,000.

New York, July 19.—Matt Allen has sold Fountainblue, for which James B. Brady paid F. A. Forsythe $25,000 as a two-year-old, to Earl Linnell for $1,000. Fountainblue, now a five-year-old, failed to race to expectations in the Brady colors, although he occasionally showed a flash of the speed which was responsible for the fancy price paid for him. His only start this season was at Sheepshead Bay, when he went to the post in a mile race for selling platers, and on that occasion he was entered to be sold for $800. He did not win, nor was he claimed out of the race.

Mr. Brady, who bought Accountant for $40,000 and Oiseau for $28,000, is never seen at the race tracks nowadays. His turf venture, after severing his partnership with F. C. McLewee, is said to have entailed a loss of nearly $200,000. Another absentee is E. E. Smathers, who bought McChesney for $30,000 and proceeded to race on a big scale until he found himself $250,000 on the wrong side of the ledger. John A. Drake, John W. Gates, E. R. Thomas, Frank J. Farrell and other high rollers of former days have not been seen at the races this year. Neither has Charley Ellison, once a big plunger, who recently sold his horses for a song.

Turf plungers, for that matter, are few and far between in these days. Big wagers are infrequently made. Dave Johnson, who won $52,000 in a single day at Belmont Park two years ago, is now hitting the high places when he bets $500. Johnson says he will never desert the turf, but that he has become convinced that there's nothing in plunging. Any layer will admit that the betting has been reduced to a minimum and that speculation nowadays is merely a matter of sentiment which affords both fun and excitement. A man who should express a desire to wager $1,000 on a horse would find it a difficult task to place the money.

JOCKEYS HANDICAPPED.

From time to time Daily Racing Form will publish a table of the comparative rating of those jockeys whose skill in the saddle has already been well demonstrated and of those who have not arrived but give promise of coming excellence. The handicap will divide these riders into four classifications, of which those admittedly in the front rank of their calling will be indicated by 100, thence downward through 95 and 90 to 80, the lowest classification, from which advancement upward will come when justified by good riding. The table will also show the number of mounts, wins, seconds, thirds and unplaced from January 1, 1908, will be corrected from week to week, and is as follows, up to and including the racing of July 16:

PROBABLE STARTERS AT SARATOGA.

New York, July 19.—Horsefolk are looking forward to the Saratoga meeting with more than usual interest this year, because there is every prospect that the racing at the Springs will bring together better racers than have been seen on the metropolitan tracks. The best horses of the metropolitan circuit will meet there the stars of Canada and the west in races like the Saratoga Handicap, Saratoga Cup, Saranac, Champlain, Hopeful, Spinaway, Beverwyck, North American, Grand Union and United States Hotel stakes.

Among the probable starters in the Saratoga Handicap, a $5,000 race of one mile and a quarter, for example, are Piute, the Canadian Derby winner, Mary Davis, Royal Tourist, Olambala, Alfred Noble, King James, Fitz Herbert, Hilarious, Celt, King's Daughter, High Private, Wintergreen and Bouquet.

Fitz Herbert, which is resting after his hard spring campaign, may not start in the handicap, but he will go in the Cup, one mile and three-quarters, and in that race he may meet High Private, Olambala, Alfred Noble, Celt, Wintergreen and Bouquet. The Cup is strictly a weight-for-age race.

NEW RULE AFFECTING STEEPLECHASING.

New York, July 19.—The National Steeplechase and Hunt Association has adopted a rule which is calculated to improve the cross-country sport next fall. Hitherto three-year-old fencers have been excluded from cross-country events in which four-year-olds and older horses participate. They have been compelled to run against each other altogether, which is, perhaps, one of the reasons they have been so backward in learning the game.

Hereafter from the first of October on they will be permitted to race with the mature horses. The change is an eminently reasonable one, because under the American system of developing all classes of horses early, a steeplechaser is as good in the autumn of his three-year-old career as at any other time. Jumping with older horses is calculated to expedite the development of the three-year-old, because horses learn more readily by racing with animals that know the game than in any other way.

ENGLISH BOOKMAKERS OPPOSING MUTUELS.

London, Eng., July 19.—The bookmakers and "Australian John" Heath have been having it out hot and heavy because of Heath's installation of the Australian totalization system at English race tracks. The bookmakers object strenuously to the innovation, but Heath apparently has the tacit support of the racing authorities, for he has been permitted to continue operations after taking advice of Scotland Yard and being assured that there is nothing whatever illegal in his system. Heath has been working on a small scale, studiously avoiding operating in large sums, and will not even take as much as a pound at a time from a backer. But the bookmakers are keenly incensed.

BAYARDO STOCK GOES UP.

London, Eng., July 18.—By the manner in which he won the $50,000 Eclipse Stakes at Sandown Park last week, Bayardo proved his right to be considered a dangerous claimant for the title of best 3-year-old in England. The race was regarded as a test of Bayardo's ability as compared with that of Minoru, the king's Derby winner, heretofore rated as the best of the year.

Bayardo showed that Minoru's championship is by no means sure, as his own race was impressive. He is a big, upstanding bay colt by Bay Ronald out of Galicia. Out of the Eclipse purse of 10,000 sovereigns about 7,000 went to owner Fairie.

VANDERBILT HORSE FINISHES SECOND.

Paris, France, July 19.—W. K. Vanderbilt's Gambaseuil ran second yesterday in the race for the Prix du Trocadero at St. Cloud. There were seven starters.

W. K. Vanderbilt's Ripolin finished second in the Prix Fourire at Maisons-Laffitte today. His Ramapo and Raleigh ran respectively in the Prix Orgemont and the Prix Lude, but neither secured a place.

NOTES OF THE TURF.

A partnership has been registered between P. T. Chinn and R. L. Thomas in Great Heavens.

Jockey Oller was ruled off at Tulsa last week for an unsatisfactory ride on Hope, a hot favorite.

George Brazier, who formerly trained for C. R. Ellison, is among the recent arrivals at New York.

Arthur Elrod, who will manage the Windsor ring this summer, was a visitor at Empire City Saturday.

Jim Gaffney, which Frank Weir sold in California last spring, is now doing stud duty in British Columbia.

Eddie Dugan's handling of Alfred Noble in the Empire City Handicap drew the fire of the eastern racing critics.

Clifford Drew of Tulsa, Okla., has purchased the three-year-old bay filly, Starbeam, by Juvenal—Beautiful Star.

John E. Madden's Newmarket has been lame for several weeks and there is little chance that he will race at Saratoga.

H. T. Griffin, who retired from the turf at the close of the last California season, is enjoying himself automobiling on the Pacific coast this summer.

It is announced that the Colorado Interstate Fair at Denver will run for one week, and there will be racing for a week longer, with the possibility of booking. The fair will open Sept. 13.

The average of $524 received for the 218 yearlings sold at Sheepshead Bay this summer compares favorably, considering the circumstances, with the average of about $750 obtained in 1907, when racing was in its heydey.

The Sanfords have a horse called Van Den in the Travers at Saratoga. This colt is a son of Rockton and Retaliation. He is a half-brother to the good Gonsalvo mare, Vails. Vails will not race again. She is not in any of the Saratoga stakes for which a mare of her age is eligible.

Dieskan, one of the Sanford two-year-olds, is named for Baron Dieskan, a gallant German who fell on the shores of Lake Champlain in the eighteenth century. Herkimer, another Sanford youngster, is named for the American Revolutionary hero who died gloriously in the fighting between the British under Burgoyne and the American colonists under Gates, Arnold and Morgan in 1778, which culminated in Burgoyne's surrender at Saratoga.

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

J. A. B., Cincinnati, O. Fred Hinkey was trainer for the Sierra Nevada Stable in 1905, when Neva Lee won at Ingleside.

J. R. L., Ocean Park, Cal. Effervescence started and finished last in the sixth race at Victoria July 9, won by Father Stafford.

C. E. R., Chicago. Outside of a strip next to the inside rail in places, the track was beyond doubt fast. Three-quarters in 1:12, by Field Mouse, tells that emphatically.

Robert H., Cincinnati, O. If on one occasion the same bookmaker, or his agent, told you his rule on time limit was the time the horses went to the post, that time limit should hold good in other cases, which would make your bet a draw.

T. R., Detroit, Mich. Newmarket Heath is the exclusive property of the Jockey Club and permission to train horses there is attended with many restrictive rules and regulations. There was some difficulty with Mr. Croker at one time, which prevented his horses being trained there. It was a technical matter which has since been adjusted.
